

You're always  
*one decision*  
away from a  
totally  
different life.

Some people  
*dream of success,*  
while other people  
wake up every  
morning and  
*make it happen.*

There is *no*  
*elevator* for  
success. You'll  
have to take  
the *stairs*.

Things don't  
have to be  
perfect in  
order for them  
to be good.

*believe you*  
**can & you're**  
**halfway**  
*there*

*you are*  
entirely  
*up to you*

you make  
beautiful  
things out  
of dust

Better an  
oops than  
a what if.

Comfort is  
the enemy  
of progress.

You will do  
great things  
despite your  
anxiety.
